Community Support Service

FRIENDS OF SALTSTONE

Your invitation to join our club

Saltstone Caring is a local registered charity offering companionship, help with shopping, outings and carer support for the elderly and isolated in 19 parishes around Kingsbridge, Salcombe and Chillington.

Demand for our service is growing fast, and we continually need to raise funds towards our costs, which involves applying to trust funds, organising local events, and relying on donations.

We want to make it as easy as possible for people to donate, and have now launched our Friends of Saltstone Club.

Once you join, you will receive regular newsletters, invitations to our events and fund-raising activities, and a window sticker, showing the world that you are one of our supporters.

How do I join?

Simply complete the membership form and standing order form attached and return to us at the address below. Any size of monthly donation will help us, you choose!

This is a great way for you to help your local community. For our part we will ensure every penny is used to help our clients. We fill the gap where the statutory authorities can't help, and our invaluable support enables local elderly people to remain independent for as long as possible.

To learn more about our work visit www.saltstonecaring.org.uk or 'like' us on www.facebook.com/SaltstoneCaring.

Thank you for taking the time to consider helping us – it would be great to have you as a friend.

Saltstone Caring launched in 2007 and have since gained an excellent reputation in the local community. Due to the demographics and geography of the area, there is huge demand for our support. The help that we provide is unavailable elsewhere – support such as shopping, supporting carers, or simply popping in for a chat or taking someone out for a cup of tea, can make such a difference to someone's sense of well-being. We help keep our clients independent, connected to their community, and feeling valued. We are well-respected by the health professionals in our area, and work closely with them.

Fundraising is an on-going challenge, and is key to us continuing to provide our invaluable service.

Our **Friends of Saltstone** initiative will help us to continue our work way into the future, and in return you will gain an insight into our work, and feel involved in the good work that we do. Please help us if you can.
